**Subject:** RE: Oral arguments set for Thursday, June 19, 2014 at 2 pm on Docket No. 2014-69-S Petition to Intervene

Dr. Butler: The checks from Arch Enterprises, LLC d/b/a McDonalds have now cleared and PWR's opposition to the petition to intervene is therefore moot. PWR does not wish to pursue its opposition and hereby withdraws same. Please advise if something further, or more formal, is required in this regard. Thanks.

John

**Subject:** Oral arguments set for Thursday, June 19, 2014 at 2 pm on Docket No. 2014-69-S Petition to Intervene

Counsel:

As you will recall, oral arguments on the Petition to Intervene of Arch Enterprises, LLC, d/b/a McDonalds in the Palmetto Wastewater Reclamation, LLC rate case and the objection thereto are scheduled for Thursday, June 19, 2014 at 2 PM. With regard to the format, I would suggest that Arch argue its Petition to Intervene first, followed by argument by Palmetto Wastewater Reclamation with regard to its objection to the Petition. After these two, the Office of Regulatory Staff may present its argument, if any. Opportunity may be given for reply argument if requested. In making your arguments, please be aware of the questions posed in the Notice of Oral Arguments dated May 19, 2014. It would be helpful if these questions were answered in the arguments. Of course, the Commissioners or Commission counsel may pose additional questions during the course of the arguments. At this time, no time limits will be imposed on the oral arguments, as I believe the experienced counsel in this case will hold their arguments to a reasonable length, but, at the same time, will take the time necessary to cover their points. Thank you for your attention to this matter.
